

CAMPER CODE OF CONDUCT

This summer we want you to learn more than just hockey. More importantly, we want you to learn what it means to play with character and be a leader that is a positive influence on and off the ice.

The purpose of this Code of Conduct is to provide for you a framework of what is expected of you each day of camp. All campers, before participating, will be expected to agree and to abide by the "Camper Code of Conduct."

1. BE ON TIME

I will arrive to camp on time.

If there is a circumstance that will cause me to be late, I will phone the Camp Director.

2. BE PREPARED

I will arrive to camp with all of my equipment and clothing for the day.

I will have had a proper amount of sleep the night before.

I will have eaten a healthy breakfast.

3. BE RESPECTFUL

I will listen to my instructors.

I will be a good team player, looking to build up my teammates.

I will be encouraging to all participants.

I will remember that the instructors and counsellors are there for me and to help me. I will accept their decisions and show them respect that they deserve.

4. BE YOUR BEST

I will play safe.

I will play hard.

I will have fun.

Failure to comply with this Code of Conduct may result in disciplinary action, including but not limited to, the loss of ice time, the loss or suspension of certain or all privileges connected to the camp and removal from the camp. In the event that my behavior prevents me from attending the remainder of camp, no refund will be issued.
